JOB DISCRIPTIONS AND DUTIES OF COACHES AND TRAINERS

G V Raja Sports school, Kannur sports school and Thrissur Sports division Kunnankulam are fully residential institutions functioning under the directorate of sports and youth affairs with a vision to identify talented children in different sports disciplines and to mould them as potential athletes to excel in national and international competitions. Coaches and trainers have the key role in developing the students with suitable personality by inculcating sports culture and inspiring them to strive for quality and excellence in sports and academic activities.

Therefore, besides sports training the coaches and trainers should function as the guide, motivators, facilitator and mentor for all the trainees and voluntarily take up other duties assigned by the DSYA and the school authorities.

1.Coaches should be willing to work in any sports school under the Directorate of Sports and Youth Affairs.

2. The coach has the duty to plan, organise and deliver appropriate training programme for each trainee of different age groups and performance ability. The workplan should be prepared in advance in accordance to the vision and objectives of the institution and in consultation with the training supervisors/co-ordinators and submit the same to the DSYA through the school authorities. The weekly training plan should be submitted to the concerned authority before the first session of every week.

3. Coach should conduct timely evaluation and assessment tests, maintain the trainee's performance record, attendance, attitude towards sports and training, health and fitness status, behaviour in the hostel and school, academic performance etc. and submit the feedback to the school authorities.They should also support and assist for conducting talent identification, scouting and weeding out process.

4. The coach/trainers shall guide, motivate and help each athlete for their training and competitions, ensuring safety and discipline. Prior permission should be obtained from competent authorities for taking the students outside the campus for training and competition and inviting athletes from outside institutions for training.Appropriate goals and performance targets should be set for different age groups and strict safety precautions should be followed while training children to avoid injuries and health problems.

5. Coaches/Trainers should have child-centric approach in coaching and should functions for safeguarding the interest reputation of the institution. He/she should also maintain

healthy relationship with all the trainees and promote a positive attitude towards sportstraining, competition and convey the message of sportsman sprit among all the students.

6. Coach/trainers should be role model for all the students and subordinates and should follow the code of conduct, uphold respectfulpersonality and must be disciplined and punctual in all the activities of the school. Coach should function as a responsible member of the team, cooperating for the common interest of all the stakeholders within the limits of the sports school system.

7. Coach/Trainers should be updated in the knowledge of the sports event and sports training process. Self-initiative should be taken to enhance knowledge and should be aware of current trends and gather latest information to be implemented for the benefit of the trainees.

8. Trainers should support and assist the coaches in training especially for the fitness and conditioning programmes of the concerned trainees.

9. Being residential institutions, the coaches and trainers should support and help the hostel warden to maintain discipline and safety in the hostel and dining hall and to avoid lose and damagesof hostel properties,curb unhealthy practices and habits and to maintain a homely atmosphere in the hostel.

10. Coaches and Trainers should work as a team,supporting and co-operating with the school authorities,teachers, nonteaching staff and supporting staff in all the official programmes,academic and co-curricular activities and create positive environment for efficient and smooth functioning of the institution and achieving the envisioned objectives and best result in sports and academic performance.

11. Coaches/Trainers should accompany the athletes /teams when they represent the school for competitions outside the campus and assigned by the authorities. Taking up other assignments such as coach of district teams, state teams, teams of other organisations, study leaves etc. is restricted since such absence will affect the training of the children in the schools.
